

**CITY OF RIDGEFIELD**  
Invites applications for the position of:

## **ENGINEERING TECHNICIAN**

---

**SALARY RANGE:**     \$66,744.00-\$87,889.11/annually

**CLOSING DATE:**     Open Until Filled. First Review: June 10, 2022

### **POSITION DESCRIPTION:**

This position will have the opportunity to develop skills in review of plans and specifications, construction observation, construction administration, and pavement preservation. Examples of duties include:

1. Review plans and specifications for private development projects to ensure compliance with City standards and Capital Facilities Plans;
2. Perform general engineering work involved in the design, review and inspection of capital and development engineering and construction projects including transportation, parks, stormwater, water and wastewater systems;
3. Provide assistance to construction inspectors in the interpretation of plans and resolution of problems during construction;
4. Perform field inspection for capital and development projects to ensure compliance with City requirements and approved engineering drawings; and
5. Assist with the management of the City's Pavement Preservation Program.

### **EMPLOYEE BENEFITS**

The City of Ridgefield offers a comprehensive benefits package including medical, dental and vision insurance, long-term disability, paid holidays, vacation and sick leave. Retirement benefits are provided through Washington State Retirement System.

### **QUALIFICATION REQUIREMENTS**

*Any combination of experience and education which provides the applicant with the level of required knowledge and abilities may be considered. A typical way to obtain the knowledge and abilities would be:*

1. **Education:** Equivalent to an Associates of Arts degree with course work in engineering or related field from an accredited college or 5+ years of underground utility and/or road construction experience.
2. **Experience:** One year experience with engineering standards, city code, construction inspection and plan review.
3. **Knowledge, Skills and Abilities:** Knowledge of construction methods, inspection techniques, GIS, and interpretation of plans.
4. **Certifications:** Possession of a valid driver's license and insurable driving record.

The final candidate will be required to successfully complete a thorough background investigation including a criminal record check.

**HOW TO APPLY:**

Interested candidates must submit the following materials:

1. A completed Application for Employment.
2. A cover letter explaining why the candidate is interested in the job position, strengths and weaknesses in the job, and a short summary of why the candidate is qualified for the position.

The Application for Employment can be submitted on-line: **click here to start your application**
