Call Public Works at (360) 857-5010 to schedule a final meter inspection prior to Occupancy. Standard turnaround is 48 hours from date of contact. Prior to final occupancy, correction notices will be issued for damage to meter, setter, or box due to construction activities. Repairs are the responsibility of the property owner.

By signing below, I acknowledge that all requirements have been met for proper meter installation at the above referenced site address; and understand that the requested meter shall be installed approximately one to two weeks from submission date; and that all requests are processed according to date of receipt.
