

## City of Ridgefield

### Addendum No. 2

#### **Solicitation: P21006: Commercial Project Management**

This addendum is hereby incorporated into the solicitation documents of the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~strikethrough~~.

All other terms, conditions and specifications shall remain the same.

**Closing Date Extension: The closing date for the above RFQ has been extended to Wednesday, January 6<sup>th</sup>, 2021 at 4:00 PM PST.**

#### **Requirement Clarification:**

Released in Addendum No. 1, the City stated that the City will require a Certified Plans Examiner for this project. The intent for this Certified Plans Examiner was for commercial plans for compliance with ICC codes (including International Building Code, International Fire Code, International Fuel Gas Code, International Mechanical Code, International Existing Building Code), Uniform Plumbing Code, and WA state amendments. The City rescinds this requirement and has decided it would be in the best interest of the City to allow the successful Consultant to demonstrate how they propose to manage commercial projects with or without this Certification.

#### **Approved By:**
