# MULTICULTURAL QUILT- ART PROJECT: INSTRUCTION SHEET

Express who you are and recognize diversity in Ridgefield through ART!

## ABOUT:

Diversity is the uniqueness each individual brings to our community based on their background, culture and heritage, as well as differing traditions and perspectives. Join us in this collaborative art project to show your neighbors who you are and to help visualize diversity in Ridgefield.

## PROJECT:

All children, teens, and adults are invited to make their own quilt square to express their uniqueness. Pictures of the squares will be combined to form a large, digital Ridgefield quilt that will be on display at [bit.ly/RidgefieldMulticultural](http://bit.ly/RidgefieldMulticultural) beginning Saturday, September 19th.

Express who you are through ART!

## MATERIALS YOU WILL NEED:

- A blank piece of paper: any color and any size.
- An assortment of craft supplies, scrap paper, magazines, newsprint, photographs, foil, yarn, leaves, flowers, etc. Look around your house inside and out for supplies: use your imagination. The more different things and colors you find, the better.
- Glue or tape
- Scissors
- Colored pencils, crayons or markers

## DIRECTIONS:

1. Cut your blank paper into a square shape, any size. This paper will be your quilt square.
2. Think about what you want to show on your quilt square.
3. Use your assortment of supplies to create your quilt square. Cut out different shapes, choose photographs and pictures, and decide what other items you want to use to tell a story about who you are and what is important to you. You may use the "examples and ideas" page to help you get started.
4. Glue or tape everything onto your square piece of paper. Fill up that paper!
5. Using colored pencils, crayons, or markers, decorate your quilt square even more.
6. Have FUN with it!

## SHARE YOUR ARTWORK:

Take a picture of your quilt square and try to crop it so only your square is showing (no edges). If you want to, write down how your artwork represents who you are. Anything you send will be included with the completed quilt. Choose which way to submit your quilt square:

1. Use the submission form at [www.ridgefieldwa.us/mcf-2020](http://www.ridgefieldwa.us/mcf-2020)
2. Email your picture and description to [events@ci.ridgefield.wa.us](mailto:events@ci.ridgefield.wa.us)
3. Send your picture and description via direct message to City of Ridgefield on FB or Instagram.

Thank you for participating in the Multicultural Festival 2020!
