ENGINEERING COMMENTS:

Information provided herein is for informational purposes regarding the location of utilities only and is provided using the best available information.

Additional information may also be provided in the comments regarding potential work that may be needed should a connection to the City's facilities be requested. This information is not to be interpreted in any way as a condition of acceptance of a land use proposal, development project, building permit, or permission to connect to City facilities. Specific conditions regarding property or connection to City facilities will be given during review of land use or building permit applications.

Connections to the City's facilities are not allowed until requested by the property owner via Request for Water Service Installation form (separate from this form) and approved in writing by the City of Ridgefield's Public Works Department.
