Hello,

Enclosed are the details for the Hometown Holiday Bazaar!

This year we have more activities planned and we are excited to have you join us. A large tent with kid's crafts and pictures with Santa will be at the Park which will certainly increase foot traffic through the bazaar.

This is an outdoor bazaar, located at Overlook Park, 101 S Main Ave. Ridgefield, WA 98642. You may start setting up as early as 8:00 a.m. on Saturday, December 1st, absolutely NO earlier. The City will provide portable propane heaters that will be spread amongst the vendors so everyone will have the opportunity to warm up a bit. Vendors are responsible for bringing their own table, 10x10 canopy, weights, extension cords, etc....

All spaces will be marked, City staff or Farmers Market Lead will show you to your spot, please set up in your assigned space. Set up/tear down times and parking will be enforced. You will need to enter and exit using Pioneer Street and find nearby parking (parking lot across from the Sportsman Steakhouse on N Main is ideal). Traffic Safety personnel will greet you at the intersection of Pioneer & 3rd and direct you from there, inform them you're a Vendor for the outdoor bazaar. Tear down starts promptly at 3:00 p.m. as we have activities at the park quickly following.

I would like to encourage you to spread the word, invite friends and family to one of Ridgefield's timeless traditions.
